

Club Car DS Winch Mount

Part# 7490

Parts List

Winch Mount-1

Hardware Kit-1

Always wear appropriate eye protection!

Installation Instructions:

1. Remove the stock bumper from the car. Using a 3/8 drill bit enlarge the two stock front bumper mounting holes to 3/8" as shown in FIGURE 1.
2. Remove the stock bolts holding the body to the stock bumper mount. Slide the top winch mount bumper mounts between the body and the top stock bumper mount and bolt to the cart using the supplied 5/16 x 1 bolts, washers, & locknuts as shown in FIGURE 2.
3. Using the supplied 3/8 x 1 bolts, locknuts, & washers bolt the front of the winch mount bumper to the stock front bumper mount location as shown in FIGURE 3.
4. This bumper has 2 pre-drilled holes which match up with most 2000lb winches. If your winch does not line up with the 2 pre-drilled holes use your winch as a guide and mark and drill through the mounting plate new holes for mounting your winch.
5. Securely tighten all bolts.
6. The winch mount has a light mount tab on the bottom of the winch mount which will allow you to install off-road lights.
