FLIP-FLOP REAR SEAT KIT

Installation Instructions For Club Car 1982 -2004 DS Models

BUGGIES
UNLIMITED

1. Remove the seat basket assembly, inspection cover, rear top struts and rear bumper.

2. Install the seat back to the seat back brackets and install on the cart using the original four bolts. Next, install the frame assembly using the two new bolts and nuts provided. Leave the bolts loose for now.

3. Install the "L" bracket to the inside frame and attach to the rear bumper mount. Leave the bolts loose for now.

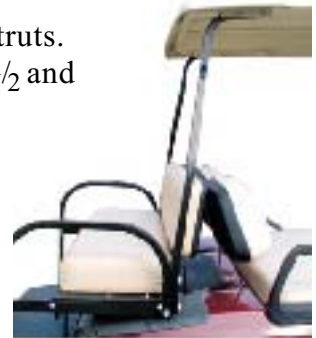

4. Install the step plate on the "L" bracket and leave the bolts loose for now.

5. Install the armrest and foot plate assembly. Be sure to use the flat head bolts on the inside to give the seat clearance.

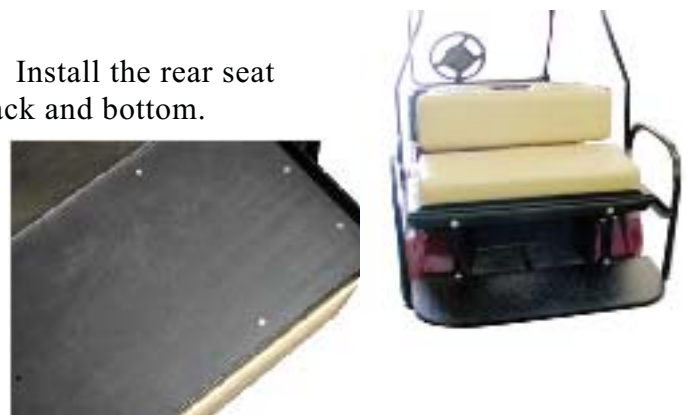

6. Install the new top struts. One set is for pre-2000¹/₂ and one set is for 2000¹/₂ to present.

7. Tighten all the nuts and bolts at this time.

8. Install the rear seat back and bottom.
