

DSA CC5 ORG WDGR DASH TRAY Installation Instructions for Club Car 1982-Present DS Models

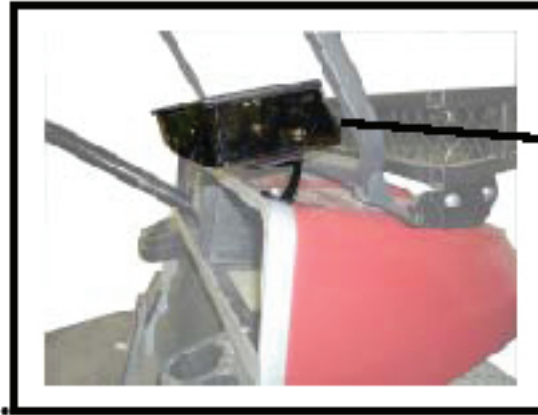

BUGGIES
UNLIMITED

1. Install tray brackets as per picture. Set the tray on the brackets to see the angle it will set. Bend the brackets down to achieve leveling.

**Bend For
Leveling**

2. Install velcro on the brackets and remove the tape. Install the tray "taking care" to align the tray to the velcro strips. Leave a gap between the windshield frame and the tray.

**Leave a
Gap**
