Parts List

QTY	Description
-----	-------------

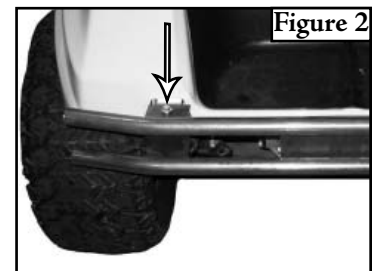

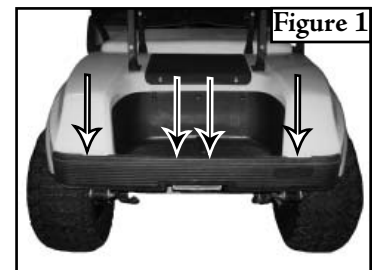

- | | |
|---|--------------------|
| 1 | Bumper |
| 2 | 5/16-18 x 1" Bolts |
| 4 | 5/16" Washers |
| 2 | 5/16" Locknuts |

 *Always remember to wear appropriate eye protection!*

1. Remove the OEM rear bumper from the cart by taking out the four bolts in the area where the arrows are pointing (Figure 1).
2. Bolt the new bumper to the cart in place of the OEM rear bumper using the hardware supplied (Figure 2).

Note: The new bumper only uses two bolts while the OEM bumper had four.
