CAUTION: Remember to wear appropriate eye protection while performing the tasks in this instruction.

Installation Instructions

1. Verify the contents of package. (1) Aluminum Cargo Box, (2) Aluminum Mounting Brackets, (4) 5/16" Mounting Bolts, 8 Washers, 4 Nuts, and Keys (not pictured). (See Figure 1)
2. Remove two bolts that attach the roof support to the side of the front cowl. Retain hardware. (See Figure 2)
3. Place mounting bracket between cowl and roof support. Original spacer will go between the cowl and the mounting bracket. Align holes in roof support, mounting bracket, and cowl. Reinstall factory hardware. (See Figure 3)
4. Repeat steps 1 & 2 on opposite side.
5. Once both brackets have been installed, place cargo box on top of brackets. (See Figure 4) Align holes in box with the holes in brackets and use supplied hardware to bolt box to brackets.
6. Tighten all hardware.
