Parts List

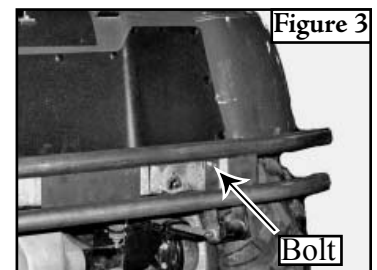

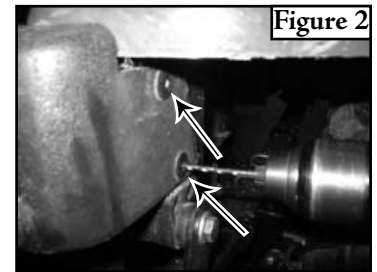

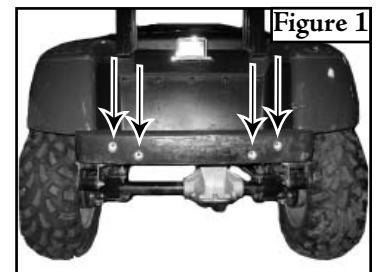

QTY	Description
-----	-------------

- | | |
|---|--------------------|
| 1 | Bumper |
| 2 | 1/4-20 x 3/4" Bolt |
| 2 | 1/4" Washers |

 *Always remember to wear appropriate eye protection!*

1. Pop out the four plugs with a small screw driver and remove the four bolts from the OEM rear bumper (Figure 1).
2. Drill out the pop rivets, two on each side of the bumper. Pull the bumper away from the cart to remove (Figure 2).
3. Bolt the new bumper to the cart using the supplied hardware (Figure 3).
