Parts List

QTY	Description
1	Bumper
2	5/16-18 x 1" Bolts
2	5/16" Washers
2	5/16" Locknuts

 *Always remember to wear appropriate eye protection!*

1. Remove the OEM rear bumper from the cart (Figure 1).

Note: There is only one bolt per side, they are both bolted in from the underside of the bumper.

2. Bolt the new bumper to the cart in place of the OEM rear bumper using the hardware supplied (Figure 2).
